

Our Privacy Policy applies to LetsPark Services Private Limited ("Company", "we", "LetsPark" or "us"). This privacy policy explains how we collect, process, use, share and protect information about you. It also tells you how you can access and update your information and make certain choices about how your information is used.

Privacy Policy covers both online services (such as online and mobile services or mobile applications, regardless of how they are used and/or used, whether on personal computers, mobile devices, or otherwise) and offline (such as data collection by mail, telephone). , or personally) Activities owned, operated, offered, or provided by the Company. Our online and offline operations related to facilitating parking and parking services through our own employees or third-party valet parking drivers and our own leased parking garages or third-party parking providers are collectively referred to as the "Services". BY ACCEPTING THE CUSTOMER TERMS, YOU ACCEPT THE TERMS OF THIS PRIVACY POLICY. Please read the following carefully to understand our privacy policy. If you do not agree with this Privacy Policy, please do not accept the Customer Terms or use our Services. This Privacy Statement is incorporated by reference into the Customer Terms.

How do we collect and use the information?

Member Account Information

If you are a Member, we may collect certain information that can be used to identify you, such as your name, email address and telephone number ("Personal Information"). If you created an account using your login information from a third-party social networking service, we may use and collect your name and email address and other personal information that your social networking service's privacy settings allow us to use. . We do not receive or store passwords from your social media accounts.

Vehicle Information

We collect certain information about the vehicles for which users of our Service use the vehicle parking and related services provided by **LetsPark** (collectively, the "Parking Services"). We collect the registration number of each such vehicle and combine this information with the personal information we hold about such users of the Service.

Information collected by the mobile application

We provide our services through the website or mobile application. We may collect and use technical data and related information, including, but not limited to, technical data about your device, system and application software, and peripherals collected periodically to facilitate the provision of software updates, product support, and other services to you. (if any) related to such mobile applications.

When you use one of our mobile applications, in addition to device information, the mobile application may automatically collect and store some or all of the following information about your mobile device ("Mobile Device Information"), including without limitation:

Your mobile device's system

The type of mobile browsers you use

Your geographic location

Information that allows us to customize the services and content available through the mobile application

Information collected through cookies and other Internet technologies

Like many website owners, we use automatic data collection tools such as cookies to collect certain information. We may use both session cookies and persistent cookies to identify that you are logged into our Services and to tell us how and when you interact with our Services. We may also use cookies to track the general usage of our Services and the routing of web traffic, as well as to customize and improve the Services. Unlike persistent cookies, session cookies are deleted when you log out of the platform and close your browser. Although most browsers automatically accept cookies, you can change your browser settings to prevent cookies from being automatically accepted or to ask you before accepting cookies. However, please note that if you do not accept cookies, you may not be able to use all parts or features of the Service. Some of the third-party service providers we use (including third-party advertisers) may also place their own cookies on your device. Please note that this privacy policy only covers our use of cookies and does not cover the use of such third-party cookies.
